Dear Parents,

I am writing to inform you that we have been shocked to discover that Wide Horizons have ceased trading as of 31st July and have shut all of their activity centres including Bryntysilio. Whilst this is very disappointing please be reassured that measures are in place to ensure that this should not impact families financially in any way.

Fortunately, there are many high quality activity centres of a very similar nature to Bryntysilio and we are in the process of looking into an alternative location for our residential visit.

We will keep you updated via the Rushall app and the school website during the summer if necessary and hope to have further information regarding details of the change of venue in September.

I assure you that we will find a suitable alternative as we know that our residential visit is an essential part of year 6, something that we hope the children will always remember.

Regards,

Mrs L O'Brien
