

Rushall Primary School

Where every child sky rockets!

Thursday 30th November 2017

Dear Parents,

We have had access to Busy Things in school for a number of years, it was mainly used by Early Years and Key Stage 1 children. Busy Things is a collection of online learning resources for children to enjoy at home. It helps learning, by engaging children in fun and exciting activities and games which target core maths, literacy and phonics skills and stimulate creative work with colours, shapes and sounds. The Key Stage 2 version develops this further by including writing projects, history, geography and activities for most subjects.

We have recently upgraded our account to now provide access for Key Stage 2 pupils and also to offer home access for all pupils.

You can access the Busy Things site by going to **www.busthings.co.uk** and choosing login.

Username: **home3536**

Password: **beep8951**

If you have any questions or comments, please do not hesitate to contact me through the school office.

Yours Sincerely,

Mr K Stephens

Computing, Learning Technologies and Online Safety Lead
