Head of School: Mrs L O'Brien B.A. (Hons) MA PGCE

Wednesday 23rd May 2018

Dear Parents/Carers,

We hope that you are all finding the 'Rushall App' useful and easy to use. The app is linked to our website and provides you with information easily at your fingertips. Through our app, you can do the following:

- Receive reminders about non-uniform days and school closures
- Check the school calendar
- Receive the latest letters and newsletters

Due to some recent changes by Apple and Android, you will need to download an updated app called 'School Jotter' from both the Apple Store and the Google Play Store.

To download it, search for "School Jotter" in the app/play store and then select Rushall Primary from within the app. Once the school has been selected, the app will adapt to match our Rushall branding and theme.

If you don't download the new app, you will receive a notification that your app will soon be out of date. In the links section, you will be provided a transfer guide and links to the apps in the App Store and Google Play Store.

The standalone app will work until the end of May 2018; you will then need to update to the new app.

If you require any support or assistance with the app, staff will be available at the Meet the Teacher sessions in July (details to follow).

Yours Sincerely,

Mr K Stephens
Computing, Online Safety and Technologies Lead.
